

# Davis Hollow Pavilion Fund

You are invited to invest in the future of recreational boating at Lake Arthur at Moraine State Park by participating the Davis Hollow Marina Pavilion Fund project. This project, in collaboration with the Pennsylvania Parks and Forest Foundation (PPFF)\*, will finance the building of two pavilions at Davis Hollow Marina for the enjoyment of the tenants. For your charitable, tax-deductible gift you will receive a tangible reminder of your generosity in the form of bricks of various sizes to be incorporated into the pavilion buildings and walkways. Your brick will be engraved with a designation of your choice such as your name, boat name, organization or memorial to a loved one.

Please do your part to contribute to the recreation of generations of boaters at Lake Arthur and receive your permanent commemoration by filling out the form below. Additional forms can be found on-line at [www.lasc@mycommunityhost.com](http://www.lasc@mycommunityhost.com).
